www.internethotels.com

Hints for hotel selection:

Read the patron comments on the websites

Checkout websites like www.tripadvisor.com, www.aaa.com, or www.mobiletravelguide.howstuffworks.com for additional ratings

Hotels near freeways or busy streets might be less expensive, but will definitely be noisier

Closer is not always better, check the “Star” or “AAA” ratings

Ask the individual hotels questions before you book – Like - Is parking lighted or is there a continental breakfast included?
